UNIVERSITY OF CALIFORNIA, RIVERSIDE   **RIVERSIDE, USA**
Bachelor of Science: Business Administration (Concentration: Finance)   *Sep 2013 - Jun 2017*

PROFESSIONAL EXPERIENCE

SUSTAINABLE AND GREEN FINANCE INSTITUTE (SGFIN)   **SINGAPORE**
Graduate Student Researcher   *Sep 2024 – Present*
- Collaborated with research associates to develop sustainability frameworks by analyzing sustainability reports from 1000+ publicly listed ASEAN companies across 400+ indicators, enhancing data accuracy and supporting comprehensive sustainability reporting.
- Peer-reviewed a white paper, offering critical feedback to improve the quality and rigor of the research.
- Well-versed in sustainability disclosure requirements for Bursa Malaysia, Phillipines SEC, and SGX.

PEOPLE PROCESS PARTNERS – (Management Consulting firm)   **INDIA**
Consultant (Strategy & Sustainability)   *Feb 2023 – Jul 2024*
- Led sustainability reporting initiatives for APAC and EU clients, improving their compliance with global frameworks (GRI, SBTi).
- Implemented water- and energy-saving strategies that forecasted over 10% reductions in carbon footprint and resource usage and 5% cost savings.
- Spearheaded a pivotal project for a mining SME to overhaul production scheduling and optimize resource allocation by integrating SAP, achieving an 80% reduction in production lead time within 6 months.

UNIVERSITY OF SOUTHERN CALIFORNIA   **LOS ANGELES, USA**
Research Analyst – Finance   *Oct 2017 – Nov 2022*
- Engaged in asset-pricing research for sectors including US-Financials, TMT, Consumer Staples, and Consumer Discretionary by incorporating industry-specific and macro variables into models, which enhanced investment strategies.
- Led in-depth research and analysis of energy consumption patterns, load impacts, and infrastructure needs as part of a multi-institutional team working on research and integration projects for public utility clients, focusing on the integration of EVs in Southern California; provided cost-benefit analysis to inform decision-making.

AMN HEALTHCARE – (A $3b Healthcare Staffing company in the USA)   **SAN DIEGO, USA**
Business Process Improvement Summer Associate   *Jun 2016 – Aug 2016*
- Collaborated with Billing/Payroll and Client Contracts teams to optimize processes by utilizing Lean Six Sigma tools, leading to a 65% improvement in key time entry efficiency.

SKILLS, PROJECTS, ADDITIONAL INFO:
